Continuing and Newly Admitted Students

Adding classes (permission numbers not needed to add most classes)

<sup>1</sup> 2<sup>nd</sup> Semester FTF: Freshman student currently in their second semester, registering for their third semester. Status based on semesters in attendance, not units in progress or completed.

<sup>2</sup> Appointments assigned based on student's class level at time of assignment. Within each group, appointments prioritize projected class level (assuming successful completion of in-progress units). Appointments within that group are then prioritized based on units completed at the time of assignment.
